Robe & Cassock Measurement Form

Name: _____

Address: _____ Phone: _____

City: _____ State: _____ Zip: _____ Phone: _____

Stand erect and look straight ahead!
If you normally wear a vest under your cassock, wear it while being measured.

1. **Chest Measure** _____
 To be taken on the person (not over the robe). Measure around the entire chest drawing the tape under the arms.
2. **Waist Measure** _____
 To be taken on the person alone. Measure over the largest part of the stomach.
3. **Neck to Waist Length** _____
 Measure from the base of your neck (bottom of shirt collar), to your waistline. If you have an old cassock, measure from A to B per diagram.
4. **Full length of Back** _____
 To be taken from base of neck (bottom of shirt collar) to top of shoe or above shoe. If you have an old cassock (or robe), measure from base of collar seam to bottom of cassock: See Diagram A to C.
5. **Half Width of Back** _____
 Measure from center of back to beginning of shoulder. If from old cassock, measure from D to E per diagram.
6. **Length of Sleeve** _____
 Measure from E past the elbow (F) to just below the wrist joint (G). Remember to bend your elbow. See diagram.
7. **Arm Length** _____
 Measure from center of back (D) past the elbow (F) to just below the wrist joint. Remember to bend the elbow.

Notes:

8. **Neck Size** _____
 Measure around neck placing 1 finger inside next to neck.
9. **Shirt size:** Collar _____ Arm _____
10. **Shoulders:**
 Normal _____ Square (Medium) _____ Square (Very) _____ Sloping _____
11. **Height:** _____ Ft _____ Inches **Weight:** _____ Lbs
